

# Terms of Reference for Mississauga Cycling Advisory Committee (June 2015)

## Mandate

The committee was an active stakeholder in the development of the Mississauga Cycling Master Plan which was approved by Council in September 2010. The plan is an ambitious strategy that sets out to transform Mississauga into a city that is conducive to cycling not only for recreation and fitness, but also for daily transportation needs. The plan builds on Mississauga's long-standing commitment to the off-road trail system through identifying a comprehensive network of on-road as well as off-road cycling facilities

## Objectives/Goals

Consistent with the goals of the Cycling Master Plan, the goals of the committee are to foster a culture where cycling is an everyday activity, build an integrated on-road and off-road cycling network as part of a multi-modal transportation system, and to adopt a "safety-first" approach for cycling in Mississauga.

In order to meet the above goals, the committee has set the following objectives, which will provide the framework for its work:

- Monitor the implementation of the City of Mississauga Cycling Master Plan and make recommendations to influence progress when appropriate;
- Assist City staff in updating the Cycling Master Plan, as required;

### Fostering a Cycling Culture:

- Promote all forms of cycling activities within Mississauga through campaigns, community rides and events, including the committee's signature annual event, the Tour de Mississauga;

### Building a Cycling Network:

- Provide input into the development and maintenance of a continuous and integrated cycling network within the City of Mississauga and with neighbouring municipalities, with a particular emphasis on recommending priorities;
- Assist with the recruitment and coordination of Cycling Ambassador Program volunteers as a means of monitoring and improving the cycling network;

### Adopting a "Safety-First" Approach:

- Provide input to City staff and Council on the planning and delivery of programs to promote safe cycling; and

- Review legislation and policies that relate to cycling and advocate to City Council and other legislative bodies for cycling-supportive legislation and policies.
